A. Grantor, as borrower, Ellery Homestyles Holding Corporation, as guarantor, and Lender are parties to a Loan and Security Agreement (as amended, supplemented or restated from time to time, the "Loan Agreement") dated the same date as this Agreement, setting forth the terms on which Lender may now or hereafter extend credit to or for the account of Grantor.

B. Pursuant to and under the terms of the Loan Agreement, Grantor has granted to Lender a security interest in and continuing lien on certain Collateral, including, without limitation, the Patents and Trademarks of Grantor, and Grantor agreed, as a condition thereof, to execute this Agreement for recording with the United States Patent and Trademark Office and other applicable Governmental Authorities.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms that are not otherwise defined herein shall have the meanings given to them in the Loan Agreement. In addition, the following terms have the meanings set forth below:

"Patents" has the meaning given to such term in the Loan Agreement and includes, without limitation, the patents listed on Exhibit A.

"Trademarks" has the meaning given to such term in the Loan Agreement and includes, without limitation, the trademarks listed on Exhibit B.

2. Security Interest. Grantor hereby irrevocably pledges and assigns to, and grants to Lender a security interest with power of sale to the extent permitted by law, in all of Grantor's right, title and interest in, to and under the Patents, the Trademarks and any proceeds of the foregoing to secure payment of the Obligations. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

3. Recordation. The Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable government officer record this Agreement.

4. Governing Law. 5. Conflict Provision. This Agreement has been entered into in conjunction with the provisions of the Loan Agreement. The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to, those set forth in the Loan Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Agreement conflict with the provisions of the Loan Agreement, the provisions of the Loan Agreement shall govern.

6. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, that Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any necessary or desirable actions in connection with the Patents and/or Trademarks, subject to the rights of Lender after the occurrence and during the continuance of an Event of Default.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the security interest set forth herein can be released, only explicitly in a writing signed by Lender. This Agreement shall be binding upon and inure to the benefit of Borrower and Lender and their respective participants, successors and assigns, and Borrower waives notice of Wells Fargo's acceptance hereof. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby.
